Spin & Score Megaways: Slot Overview

With the phenomenal popularity of football, it's a wonder there aren't more football-themed slots kicking around on the market. To be sure, players have a bunch to choose from, but still, football being the world's most popular sport, and the level of passion (and money) poured into the teams and players, it's interesting there aren't more. Helping rectify the situation, and to ride the wave of the 2024 FIFA World Cup, is software provider Pragmatic Play with an online slot based around the beautiful game's titled Spin & Score Megaways.

If you've ever wanted to run out onto the pitch to the sound of thousands of cheering fans, you can get a taste of this in Spin & Score Megaways. Okay, a small taste and a healthy dollop of imagination wouldn't hurt, but the game is set in the middle of a stadium, as confetti rains down on the crowd on a nice day for an outdoor sporting event. Unlike D10S Maradona, which came out around the same time, the players in Spin & Score Megaways are all made-up characters, captured in various poses as the high-pay symbols. Despite zero branding or name recognition, Spin & Score Megaways has a positive spirit, brought about in part by the bright visuals, and in part by the uplifting 7823; house track.

Spin & Score Megaways is played on a Megaways powered game panel that has 6 reels and a 4 symbol horizontally spinning bonus reel at the top. With each spin, a different number of symbols can land, creating up to 117,649 ways to win when fully expanded. On to the math model, which has a 5 out of 5 rating for volatility, or high in other words, while producing a maximum RTP of 96.55%, though lower models may be available. Bets of 20 p/c to \$/ <100 per spin can be selected, and any device is suitable for use.

Wins are awarded in Spin & Score Megaways when matching symbols
