<p> created.The pack includes(regular and with a cutout for the pokermaste) Tj T\* BT /

<p> cutout HUD looks like at the Pokermaster table:Cut out the window f

or the action, so</p>

<p> that it can be seen, the opponent folded or still in the hand:HUD w

ithout a cut is</p>

<p> almost the same, just 2 stats are added instead of a cut.In the pack t

here will be two</p>

<p> HUDs, you just need to select one of them in the settings.In the HUD a

dded general</p>

<p> stats (NOT positional), such as total cbet flop / turn / river or t

otal 3bet, or total</p>

<p> limp etc. Because many rooms have banned the use of positional and

dynamic HUDs, so the</p>

able sample, and if</p>

<p> you have a sufficient sample, the pop-ups will help you.are available

in the pack</p>

<p> (separately for 6max and 9max):Postflop stats:Pop-ups are made in soot

hing colors with</p>

<p> minimal colors.All stats are divided into 3 groups of colors accord

ing to the type of</p>
