

# bet365 apostas baixar

If your country's name is not featured on the above list, it does not necessarily mean that you are prevented from accessing Betfair's services.

The following, however, are regions from which it definitively is illegal to create an account or bet

with the following countries:

Canada. China. Bet365 Country & Territory Restrictions: Where it

is not legal

and the

Republic of Ireland and the rest of the World excluding the United

States of America,
