There are not many gemstones as precious as the piercing red Ruby, and it's this delightful stone that's the focus and centre piece of iSoftbet's video slot The Ruby Megaways. Play with 6 reels, up to 117,649 paylines, and a game RTP rate of 96.11%. Will you experience some of life's luxuries with wins up to a maximum of 35,000x bet. Slot Features First, you have the 6 reels that you play on, with 2 to 7 symbols added to each one, at random. Second, there is an extra horizontal reel, which adds 1 symbol to the middle four reels. The Ruby Megaways can give you access to as many as 117,649 potential combinations, all in exchange for just 20 coins. The values available for betting, will range from 0.20 to 20. Standard symbols are Red Diamond - up to 50x, Dollar Sign - up to 7.5x, Money Bag - up to 2x, Bell - up to 2x. Low-value symbols are Red Lucky 7 - up to 1.75x, Blue Lucky 7 - up to 1.75x, Cherry - up to 1x, Triple Bar - up to 1x, Double BAR - up to 0.90x, BAR - up to 0.80x. The Wild is a substitute for all symbols except the Bonus and appears on the horizontal top tracker. The bonus symbol is able to activate the free spins feature. Any Mystery symbol on the playing field is transformed into the same symbol. 4x Bonus symbols anywhere on the reels activate a series of 12 free spins. Each additional Bonus symbol will add 5 extra free spins to you. The maximum number of free spins can be up to 27. Further free spins bonus can be activated during the feature by landing 3 or 4 Bonus symbols on the top tracker only.
