<p&gt;Top Shark Full Review&lt;/p&gt;
<p&gt;&lt;/p&gt;
<p&qt;Many players like to be able to track their &#127772; own progress in
multi-table or single-table tournaments, but do not wish to spend the hundreds o
f dollars required for a 🌜 full software package. Other times, players
simply want to see how their friends, favorite pros, or feared enemies are doing
🌜 in order to keep tabs on them. Enter Top Shark, a free poker trackin
g site from Poker Pro Labs.</p&gt;
<p&gt;&lt;/p&gt;
<p&gt;&lt;/p&gt;
<p&gt;&lt;/p&gt;
<p&gt;The first &#127772; thing to look at is the
                                                   Player Statistics
which allows you to enter in any player s name and search 🌜 for them ac
ross the supported poker rooms. Entering in a name brings them up in a database;
the results can 🌜 be sorted by date, game type, limit, table speed, bu
y-in, and number of entrants. Once a player comes up in 🌜 a search, you
can see the number of games played, average profit, average return on investmen
t, total profit, average buy-in, 🌜 in the money frequency, wins/losses,
early finishes, middle finishes, middle-late finishes, and late finishes.</p

<p&gt;&lt;/p&gt;
<p&gt;A small plus sign will appear by &#127772; the name of a person which,
when clicked on, expands all of the games played to show the date, game, &#1277
72; buy-in, number of entrants, rank, and prize. Another plus sign sign exposes
their cash list along with the rating for 🌜 each player. Here is a qui
ck look at a portion of a sample search:</p&gt;
