

scoop poker

SINGAPORE - Social gambling in the form of playing mahjong and poker with family members at home, will be legalised from Monday (Aug 1). While not currently illegal, gambling is not clearly defined in current law. New laws on social gambling in Singapore to take effect by August 1 restricts time: Singapore; new-Gambling laws including legalising... there are many poker games hosted in The Manys condominiums in the city that ARE safe. Basically as long as they are not advertised! Playing Live and Online - Guide by Somuchpoking somukPoker
