Bonuses may be awarded by a company as an incentive or to reward good performance. All incentives bonuses a Company can give employees include signing, referral, and promotion bonuses. Companies have various ways they can award employee bonus, including cash, stock, and options. Bonus: Definition, Different Types, and How to Get One (or no bonus at all) depends on how successful your organization or specific department was that year, as well as how big a part of that success you were. This can also be considered profit. What Are Typical Bonuses, and How Do They Work? - The Muse
