<p>To recover the 1xbet code, you can follow these steps:</p>

<p>1. Access your email account:</p>

<p>The first step is to access the email account that you used to register on 1xbet.</p>

<p>2. Search for the 1xbet email:</p>

<p>In your inbox, search for an email from 1xbet. The email could have been sent when you registered or when you made a deposit.</p>

<p>3. Check for a confirmation code:</p>

<p>Open the email from 1xbet and check if there is a confirmation code. This code is usually sent when you request a password reset or when you need to

verify your account.</p>

<p>4. Use the code on 1xbet:</p>

<p>If you find a confirmation code, copy it and go to the 1xbet website. Then, paste the code in the appropriate field and click on the "Submit

" button.</p>

<p>5. Contact 1xbet support:</p>

<p>If you can't find the confirmation code, you can contact 1xbet support. They will help you recover your account and provide you with a new code.

</p>

<p>6. Check your 1xbet account:</p>

<p>After you recover your account, log in to your 1xbet account and check if the code is there. If it's not, you may need to contact 1xbet support again.</p>
