<p>Good, but could be better.</p>

<p></p>

<p>This is a review only on the sportsbook, and it's a tough one for m

e.</p>

<p></p>

<p></p>

<p></p>

<p>When I registered for them I did so purely under the assumpt

ion that they pride themselves in not restricting players and that they

welcome winners. This is partially false according to my personal experiences

. The odds on all markets seem to suspiciously change when I log in t

o my account. In every market, odds seem to be 0.02 points lower, or something

close to that. It may not seem like a huge deal to you, but it is a re

weeks. Lots of markets offered and different sports offered as well.</p>

<p></p>

<p>- Customer service is in my experience top class; fast, resp

onsive and friendly. What else would you want to ask for?</p>

<p></p>

<p>- Withdrawal speeds are very fast so have no fear, they're

ll pay you no problem.</p>

<p></p>

<p></p>

<p></p>

<p>Some negatives:</p>

<p></p>

<p>- Desktop site looks very dated, like straight out from ten years ago,

but at least it's functional. Can't say the same about mobile

version, which is terrible.</p>

<p></p>

<p>- They apparently start charging you a fee for withdrawals a
